Assistant Director's Report-Mr. Fields

- Big thanks for the parent helpers ordering the pizza and feeding the kids at their **Pep band Game**. They all had a blast and enjoyed playing!

- **Percussion Ensemble Concert**. I am getting administration approval and awaiting confirmation currently. I have submitted a "safe in-person concert form" and may need a couple

hands to help put up some Directional and instructional signs that evening. I am looking at either March 9th or March 10th.

- **EMS 8th grade and 7th grade video performance.** During the school day, hopefully in the next couple weeks, I will be taking the 8th and 7th graders to perform a couple of their pieces in the auditorium. I will video this and eventually get on Youtube. This will give them and the parents something to view since we didn't have a concert this Winter. They have been working hard and need something to showcase their hard work! It will be simple but better than nothing and I hope the parents enjoy seeing their children perform in the large group setting.
